III. OLD BUSINESS

- . **Annual Meeting 2005:** The evaluation tally's from each meeting were reviewed and discussed. Overall the meeting was well received and recommendations will be taken into consideration.
- . **Annual Meeting 2006:**
 1. Discussion on location which will be the Sheraton North Indianapolis the same as last year. There are very few hotels on the perimeter that can accommodate our group of close to 400 people. Hotels downtown will be evaluated for future possibilities.
 2. Members discussed previously recommended topics and presenters and prepared a list of additional items for consideration. Some ideas were; contacting the governor's office to bring insight into the new administration changes for the future, i.e.; DOC, DMHA and other government offices. We would still like to have Rep. David Orentlicher address our group. 2006 is not a budget year for the legislature and maybe he can work it into his busy schedule.
 3. Information on Faith Based education and treatment. Bill will attend the upcoming conference in June on Faith Based programs through DMHA.
 4. Ideas for a motivational session would be appreciated.
 5. The proposed agenda time schedule as considered.
- . **Education Criteria Checklist** – has been posted on the website.

. **CSAMS – PNCO Training Criteria –**

1. The PNCO has been posted on the website and an overview meeting is scheduled for May 23rd to respond to any questions from potential vendors.
1. The CSAMS Preparatory Training was well attended by as many as 36 to 68 people each day for three days.

IV. NEW BUSINESS

- A. Consider recommending regional meetings for training and updates. Request feed back from program directors. Suggested topics such as DSM IV.
- B. Bill asked Judge Rush to look into a substance abuse certificate program for program judges. Judge Rush will consult with Judge Penrod, of the Judges education program.

IV. DISCUSSION –

1. Discussion was continued on topics for the 2006 annual meeting. A panel of judges to discuss and inform was recommended with several judge's names submitted for consideration.
2. Judge Rush recommended the June 17th meeting be a conference call and asked for an email to be sent out to subcommittee members for their availability and time recommendation if they were in agreement to a conference call format. He suggested 10:00 am.
